

## WELCOME AT MALGA CONTRIN

---

Family Nogler Kostner welcomes you to the Contrin lodge. In the past, there was a hay barn here which belonged to none other than the famous mountaineer and film producer Luis Trenker. The grandfather of the family was a good friend of Luis Trenker and did the farm work for him.

The milk from our cows is freshly processed daily into homemade dairy products. We wish you a beautiful and relaxing stay in our Contrin lodge.

Years later he acquired this property and in 1995 his son Reinhard built a lodge. Our lodge is known for its home-made products and for its breathtaking view.
